Mission Statement

Nambudripad's Allergy Research Foundation (NAR Foundation) is dedicated to allergy research in complementary and alternative medicine (which include acupuncture, allopathy, chiropractic, Oriental medicine, herbal, and nutritional medicine). We believe that research and education are essential to the progress and development of future integrative medicine. Our goal is to help healthcare professionals achieve proper education in Nambudripad's Allergy Elimination Treatments and patients receive health and freedom from pain and illness through effective holistic treatments.
