## The Journal of NAET® Energetics and Complementary Medicine

*The Journal of NAET® Energetics and Complementary Medicine, JNECM or the NAET® Journal is peer-reviewed and Quarterly published by the Nambudripad's Allergy Research Foundation (NAR Foundation), Buena Park, CA. The main purpose of this Journal is to foster communication among Nambudripad's Allergy Elimination Techniques (NAET®) and allied complementary and alternative medical practitioners, researchers, enlightened patients and scientific community at-large.*

*The official language of the Journal is English. The Journal does not publish papers that have been submitted or published elsewhere. The views expressed in this publication, including the editorial, letters, and book reviews are strictly those of the author(s), and not necessarily the official policy of the publishers and Nambudripad's Research Foundation, or the institution with which the author is affiliated, unless this is clearly stated.*
